Boarding Activity Planner 2022 - 2023

- LEARN
- LIVE &
- DEVELOP

Dear Boarding Students and Parents of Eerde International Boarding School,

We are delighted to present you our activity planner for boarding students for the academic year 2022 - 2023.

Our boarding team offers a variety of activities for weekends and evenings both off campus and on campus.

Together with the Boarding Parents, each Tuesday students are invited to select an activity for the weekend ahead. In general they are not mandatory, but are for fun and to be enjoyed, but on occasion, it may be a whole boarding house event. There will be 3 special events this year which are called the 'Big Boarding Weekend' and will happen in September, January and June. We ask that all boarders attend these events in order to help build and further the bonds of friendship in our community.

With this brochure we want to share with you a glimpse into the possibilities, but these are not endless - any ideas from the students may also be a possibility.

Kind regards
Dan Furness and the Boarding Team

No activity package would be complete without the fun of the fair. Walibi is one hour from Eerde and is always enjoyed by all. This is a great trip for days of sunshine and great weather.

De Scheg, Swimming pool Deventer

Students can have a great time at the swimming pools in Deventer. Fun pools and water slides are always good times and good fun.

De Scheg, Ice Rink Deventer

Perhaps not on the same day as swimming, but students can practice the great Dutch pastime of ice skating.

LOCALLY Games Night

This is this is the moment to awaken the property mogul inside. Students can join the games, Poker, Monopoly, darts or whatever the game of choice may be.

Movie Night

Who doesn't enjoy a film night (especially when popcorn is involved)
Film night is a regular event within boarding and in the summer evening may even be enjoyed outside.

Walks in the Surrounding Area

Eerde forest is itself a wonderful area to explore. Who would have thought that in the middle of all this greenery there is an oasis.

Campus Hide and Seek/Capture the Flag

A real favorite of our community, students get to explore our wonderful campus and engage in games of 'Hide and Seek' and 'Capture the Flag.' They may be oldies but they are still goodies!!

Bostheatre Ommen

And after you have visited the sahara, walk a bit further to discover the amphitheatre in the forest.

Enjoy a picnic or from time to time a concert.

Big Boarding Weekend

September 2022 - Team Building

In September students will travel to an exclusive farmstead in North Germany and engage in team building activities with the Boarding Parents and their house families. This is a great chance for our students to get to know one another and to welcome the new members of our community.

June 2023 - Camping

In June all Boarders will go camping together to enjoy the fantastic wilderness that is on our doorstep. A chance to leave technology behind and get back to basics, and of course BBQ!

January 2023 - Skiing

In January, as a precursor to the school's annual ski trip, we intend to take the Boarding Students to Winterberg, a ski resort in Germany not far from the Dutch border. As this is an Eerde first it remains subject to availability of accommodation in the area. Students who do not want to ski can stay in and enjoy the snow!
