RE: Welcome to Eerde

Dear student and parents,

Welcome to Eerde! Just a few more weeks and your academic journey will start at our school. We are delighted that you will be part of our Eerde Community.

To get you and your parents / guardians fully prepared for the start at our school, we would like to share some more information and documents with you:

- School and boarding guide 2023 - 2024
- Fee booklet 2023 - 2024
- Activity planner 2023 - 2024
- What to bring to boarding list 2023 - 2024 (for boarding students)
- Year calendar 2023 - 2024

## Start of the academic year

Our academic year will start on the 21st of August 2023.

On the **20th of August** we will start the academic year with an opening reception on Sunday afternoon, where students and parents (plus siblings) are invited to celebrate the start of the new year, and to get acquainted with the team.

## New boarding students

We can only imagine how exciting you will be coming to boarding, but also that you might be a bit anxious to go on this journey. Therefore, especially for our new boarding students, we open boarding a day early, Saturday the 19th of August from noon onwards, so we have a little bit more time to welcome you, and to explain to you as a group of new boarding students all about boarding! This way we can make sure that you are completely settled in before school starts.

**Very important:** Could you also let us know, at approximately what time we can expect you to arrive at our campus? Please inform us by sending an email to [boarding@eerdeibs.nl](mailto:boarding@eerdeibs.nl)

In case you still have questions about this, do not hesitate to contact boarding via [boarding@eerdeibs.nl](mailto:boarding@eerdeibs.nl) or the admissions office via [admission@eerdeibs.nl](mailto:admission@eerdeibs.nl).

## Laptop

During the first days at our school you will receive your own laptop. You will also receive your login details and your own school email address when you receive your laptop.

## Year calendar 2023 - 2024

Attached to this email, you will find the year calendar. In the upcoming weeks this will also be placed on our website, and after school starts also in Managebac.

When creating this calendar we always try to schedule it as precisely as possible, however due to circumstances, some things might change throughout the year. That is why we would like you to check the online calendar (via Managebac) regularly for changes. If big changes occur, we will also inform you via the parents newsletter or separate email.

## Newsletter parents

Every other Friday you and your parents / guardians will receive a parents newsletter. In this we will share important information, activities that have taken place and other interesting items. Please make sure that you check this newsletter; in the case for example calendar changes occur, we will share that via the newsletter and we try to minimize the number of extra newsflashes.

This newsletter will be sent to the email address(es) that have been provided in the application forms. Please inform us when you change email addresses.

## Managebac

Eerde IBS uses Managebac to keep track of our students' results. At the beginning of the new academic year, you will receive parental login details, with which you can follow your child's progression. On this platform you will also find several documents such as: Eerde IBS online Platforms - Quick start guide - Parent edition, Parent Calendar, protocols, etc.

If you have questions about this, do not hesitate to ask for assistance in this.

## More questions?

We can only imagine you might have more questions, so in that case don't hesitate to contact us via email ([admission@eerdeibs.nl](mailto:admission@eerdeibs.nl)) or telephone (+31 529 451 452).

We look forward to welcoming you on the 19th or 20th of August 2023 at the start of our new academic year!

Kind regards
